These are effective for students applying for entry to The University of Auckland in 2013. Students with a five-subject total where one subject is their first language will be considered on the basis of their four-subject total excluding their first language mark. Students with a four-subject total where one subject is their first language will be considered on a case-by-case basis. For students applying for entry in 2013, minimum English Language Scores are IELTS 6.0 with no band below 5.5, or English minimum score of 70%.
